If she... ever finds out that she has a boyfriend...

She will get scolded beyond my wild imaginations...

And I don't want that to happen...

This is going to be a secret...

Give the cat back. I have to go.

It's not going to work even if you look at me with those eyes.

That's so ... old fashioned...

But I guess...

It's a likable name.

You think so, too?!
